

Dear Colleagues!

Federal State Budgetary Institution of Science
Baikal Institute of Nature Management
Siberian Branch of the Russian Academy of Sciences
(BINM SB RAS)

invites you to take part in the work of the

9th school-seminar for young Russian scientists
“Problems of Sustainable Regional Development”
dedicated to the 70th anniversary of Academician of RAS
Arnold K. Tulokhonov
held in **June 3-7, 2019**

The school is conducted with the assistance of:
The Ministry of Education and Science of the Russian Federation
Russian Academy of Sciences
Siberian Branch of the Russian Academy of Sciences
Russian Foundation for Basic Research
Buryat State University
Young Scientists Council of the Republic of Buryatia
Mendeleev Russian Chemical Society
Russian Geographical Society

The School-seminar of young Russian scientists "Problems of Sustainable Regional Development" is held at the International Ecological and Educational Center "Istomino" since 1999 with a frequency of once every 2-3 years. The pioneer and the permanent chairman of the organizing committee is Academician of RAS A.K. Tulokhonov. The 9th school-seminar of young Russian scientists is aimed at exchange of information, extension of contacts among young scientists, coordination of research works and sharing of scientific experience in the field of research on sustainable development issues. Traditionally, leading scientists of the Russian Federation and from abroad are actively involved in the work of the School to give lectures and seminars on the relevant areas of science. During the school-seminar young scientists are going to discuss a wide range of basic and applied scientific issues in the following areas:

1. Socio-economic problems of Sustainable Development of the regions of Russia.
2. Geo-ecological problems of the regions of Russia and the adjacent territories in the context of globalization and environmental changes.
3. Modern eco-friendly technologies of nature management and environmental protection.
4. Preparation of the perspective of organic, inorganic compounds and materials based on them.

The Organizing Committee invites leading scientists to read lectures on the specified topics.

Abstracts of reports and lectures of the school-seminar will be published in the form of an electronic edition and included in the abstract database of Russian Science Citation Index.

Venue:

International ecological and educational center "Istomino" (on the shore of Lake Baikal, 140 km from Ulan-Ude) <http://www.binm.ru/istomino/>.

Operating procedures of school:

Plenary report - 20 min

Lecture - up to 1 hour

Sectional report - 10 min

Deadlines:

Until February 1, 2019 – send the completed registration form by email (see Attachment 1).

Until March 20, 2019 - present abstracts up to 2 pages to the Organizing Committee (see the rules of abstracts layout. Attachment 2).

Until April 30, 2019 - transfer the registration fee.

The registration fee for **onsite members** is **10000 rubles (including VAT)**. The fee includes the publication of the school-seminar materials, accommodation and meals in the International ecological and educational center "Istomino", transport fare (Ulan-Ude-Istomino-Ulan-Ude), excursion to the Buddhist centre of Russia – Ivolginsky Datsan, coffee breaks, welcome party, corporate dinner.

The registration fee for **remote (absentia) members** is **400 rubles per page (including VAT)**. The fee includes the publication of abstracts in the electronic edition and in the abstract database of Russian Science Citation Index.

After April 30, 2019, the registration fee increases up to **12 000 and 450 rubles (including VAT) respectively**.

Lecturers are exempted from paying the registration fee.**The bank account for transferring the registration fee is:**

Federal Treasury Department for the Republic of Buryatia (BINM SB RAS)

Bank details:

Branch of the National Bank of the Republic of Buryatia, Ulan-Ude

RCBIC (Russian Central Bank Identifier Code) 048142001

Corresponding account number – no

Current account: 40501810700002000002

Personal account number 20026409650

In the purpose of payment, please, specify: the budget classification code: 000000000000000000180

The payment order must include: *the registration fee for participation in the school-seminar by Mr/Mrs/Miss Your full name.*

Payment order number, the date of transfer and the name of the participant should be immediately sent to the Email: school-seminar9@binm.ru. During your registration you need to show the payment receipt (proof of payment).

For more information, please contact the Working Committee.

Address: 670047, Ulan-Ude, 6, Sakhyanovoy Str., BINM SB RAS.

Phone: 8-9021-650-858

Fax: 8 (3012) 434753

E-mail: school-seminar9@binm.ru

Attachment 1.

Registration Form of the participant of the 9th School-Seminar of Young Russian Scientists

"Problems of Sustainable Regional Development"

The form of participation (please mark):

- Private participation and publication of materials
- Only publication of materials
- Lecture for young scientists

First Name _____

Last Name _____

Academic degree _____

Full name of your institution/organization _____

(Including the department)

Position/Course (for students and postgraduate students) _____

Contact phone numbers _____

Email _____

The name of the alleged paper _____

Section №__

To participate in the work of the school it is required to submit an application for participation **before February 1, 2019** in the attached form to the Email: school-seminar9@binm.ru.

The file should be attached and saved as: **Surname (eng) _№ of section_forma.rtf**. For example:
Petrov_2_forma.rtf.

Attachment 2.

Materials submission guidelines for the 9th School-Seminar of Young Russian Scientists "Problems of Sustainable Regional Development"

Layout of the materials:

The layout of the publication should be fully drawn by the authors, figures and tables are inserted properly into the text. ***It should not exceed 5 pages (A4 format).*** The electronic version of the text **should be titled by the last name of the reporter (Petrov_2_doklad.rtf)** and should be sent to the email: school-seminar9@binm.ru

Materials should be submitted in Russian or English.

Common document properties (editor MS Word, version 6.0 or later, the format *.rtf, file must be titled by the name of the first author):

- ☐ Page format – A4, portrait orientation. Font – Times New Roman, the main text – 11 pt, all the captions, titles and content of the tables and figures - 10 pt;
- ☐ Fields: top and bottom - 15 mm, left and right - 20 mm;
- ☐ Line spacing - single, no space before and after paragraph, indent the "red line" of 10 mm. Automatic hyphenations are disabled;
- ☐ Figures are placed in the text, do not put figures and formulas "over text";
- ☐ In decimals use "dot".

The circuit arrangement of materials:

1. Headline of work: CAPITAL LETTERS, **bold**, centered.
2. The list of authors: centered, first name (and patronymic, if there is one) should be written by the initials after the last name, dots after the initials, initials are separated from each other and from the last name of a single space. Co-authors are separated by a comma. Emphasize the last name of the reporter and note his email address.
3. Name of organization: centered, the legal status of the organization is not indicated. If the work is carried out in several organizations, each organization is indicated in a separate line, in italics. In the names of Russian institutions write only the first word and proper nouns with a capital letter.
4. **Empty line** after the organizations titles.
5. Abstract text: Alignment justified. If necessary, highlight the text using **bold**, *italic*, and underlining.
6. The references in the text must be in square brackets [1, 2, ...]. References must be listed at the end of the abstracts, and formatted according to the federal standard GOST 7.1-84 (<http://www.rl7.bmstu.ru/rus/useful/litexample.html>).
